

Extracurricular Handbook Primary School 2022-2023

DYATMIKA
EDUCATION FOR A BETTER WORLD

From The Head Of School

An undertaking in extracurricular activities has far reaching and varied benefits that touch on many aspects of our children's development.

At Dyatmika we are committed to providing a wide variety of opportunities, allowing our students to broaden their horizons and reach their potential. Our aim is to facilitate a broad range of experiences, allowing each student to find their passion.

To this end the Dyatmika extracurricular programme has been designed to supplement, deepen and encourage social skills such as leadership, cooperation and teamwork as well as furthering academic attributes involving problem solving, perseverance and learned application.

Whether you are a parent or a pupil here at Dyatmika, do get involved in the extracurricular programme: expand your horizons, deepen your love of learning and of course, most importantly, enjoy yourselves.

Nick Bridges
International Head of EYP/Primary

Dari Kepala Sekolah

Melakukan kegiatan ekstrakurikuler memiliki manfaat yang luas dan beragam yang menyentuh banyak aspek perkembangan Putra/i kita.

Di Dyatmika kami berkomitmen untuk menyediakan berbagai ragam kesempatan, yang memungkinkan siswa kami untuk memperluas wawasan mereka dan mencapai potensi mereka.

Tujuan kami adalah untuk memfasilitasi berbagai pengalaman, memungkinkan setiap siswa untuk menemukan dan menggali bakat mereka.

Untuk tujuan ini, program ekstrakurikuler Dyatmika telah dirancang untuk melengkapi, memperdalam dan mendorong keterampilan sosial seperti kepemimpinan, kerjasama dan kerja tim serta memajukan atribut akademik yang melibatkan pemecahan masalah, ketekunan dan penerapan yang dipelajari.

Apakah Anda orang tua atau murid di Dyatmika, ikutlah dalam program ekstrakurikuler: perluas wawasan Anda, perdalam kecintaan Anda untuk belajar dan tentu saja yang terpenting nikmati diri Anda sendiri.

Nick Bridges
Kepala Sekolah Internasional PAUD/SD

C.A.S. Award 2022-2023

At Dyatmika we categorise the Extracurricular Activities on offer into Community activities, Academic activities and Sporting activities. This helps us to ensure we are offering a broad, balanced range of experiences and giving all students the opportunity to enjoy and excel.

The C.A.S. Award is given in recognition of students who participate in a range of Extracurricular Activities and commit fully to these throughout the year. Last year we saw a continued increase in the number of students receiving this award and as a result have made the decision to offer the award to Primary students in 2021/22.

Students receive the award at the end of the school year. Intervention classes always take priority over Extracurricular Activities and will contribute towards the C.A.S. Award. Please check with your subject teachers if you are unsure whether you are expected to attend.

“We are committed to providing a wide variety of activities to our students”

Penghargaan C.A.S. 2022-2023

Di Dyatmika kami mengkategorikan semua klub Kegiatan Ekstrakurikuler yang kami tawarkan menjadi klub kegiatan Komunitas, klub kegiatan Akademik, dan klub kegiatan Olahraga. Pengkategorian ini membantu kami memastikan bahwa kami telah memberikan berbagai pengalaman yang luas dan seimbang kepada siswa, dan bahwa kami telah memberikan kepada siswa kesempatan untuk menikmati dan menjadi unggul dalam berbagai kegiatan tersebut.

Penghargaan C.A.S. kami berikan sebagai pengakuan terhadap siswa yang telah berpartisipasi dalam berbagai Kegiatan Ekstrakurikuler dan berkomitmen penuh dalam kegiatan tersebut sepanjang tahun. Pada tahun ajaran yang lalu, jumlah siswa yang menerima penghargaan ini semakin meningkat, dan sebagai hasilnya, pada tahun ajaran 2021/2022 ini kami membuat keputusan untuk kembali memberikan penghargaan kepada para siswa Sekolah Dasar.

Siswa akan menerima penghargaan ini pada akhir tahun ajaran. Kelas-kelas intervensi memperoleh prioritas lebih daripada Kegiatan Ekstrakurikuler, dan memiliki kontribusi bagi penghargaan C.A.S. siswa. Apabila merasa tidak yakin kelas mana yang harus mereka ikuti, siswa diminta untuk mengecek kelas-kelas intervensi dengan guru mata pelajaran yang bersangkutan.

“Kami berkomitmen untuk menyediakan berbagai kegiatan bagi seluruh siswa Dyatmika.”
