

# Cambridge Examination Fees

Cambridge Assessment International Education charge a fee for students who take examinations at IGCSE, AS and A Levels. These fees must be paid by parents before students are entered into examinations, in line with Cambridge's regulations.

In order to streamline the process of examination entry, parents are asked for an advance payment during October to cover the cost of all examination fees. In 2022-23 this payment was:

Class	Cambridge Exam Fees
Class 10	IDR 14 million
Class 11	IDR 7 million
Class 12	IDR 6.5 million

## Please note:

- Cambridge change their fees slightly each year and exact fees are affected by the IDR to GBP exchange rate.
  - The exact cost is calculated after the entries are confirmed, and retrospective invoices issued.
  - Any surplus fees are credited against future school fees.
  - Any shortfall due to major currency fluctuations are billed to parents.
- Examination entries are only processed once fee payment is received. Delays in payment by parents will result in a 'late entry fee', following Cambridge Assessment International Education's procedures. The school cannot absorb late fee costs; it is billed to parents.
- Dyatmika does not charge any additional administration fees for these examinations.
- Parents will receive a letter early in the school year when examination fees are to be paid.
- Parents are responsible for fees associated with any examination resits.
- Please note that Dyatmika's policy is that the failure to pay school fees will result in the withholding of reports and official education certificates. Paying the Cambridge examination fee does not allow access to Cambridge certificates when other school fees are unpaid. This is stated on the fee table.
